### **BRIGHOUSE CHARITY GALA TERMS and CONDITIONS Lane Head Recreation Ground Brighouse**

For the benefit of those who may be new to Brighouse Charity Gala, you should be aware of a few conditions that we ask your participating organisations to keep:

- To benefit from the Gala, an organisation must be a registered charity, a charitable organisation or a local community group. All bookings are at the discretion of the Gala Executive Committee.
- This year as we are at Lane Head Recreation Ground it will be a free to enter gala with no admission tickets required. As the Gala will not be receiving money from ticket sales each charity/organisation is being asked to pay a small deposit of £20 to assist with the expenses and running costs needed to put on the gala

- If there is any uplift this year this will also be paid to charities but an organisation must provide someone to help with the general running of the gala, this includes preparation before and clearing up after gala day. Lane Head Recreation Ground must be cleared of litter and all signs of the gala by midday the following day.
- Money raised by the procession street collection must be handed to the Gala Treasurer, on the field on the day. This is used to pay the administration and general running costs of the gala.
- Everyone who is taking part in the procession by riding on a float **MUST** only board the float at the designated assembly point. **NO ONE** will be allowed to board the float anywhere on the procession route. This is a serious breach of Health & Safety and any group found to be doing this will not be asked to return to the Gala
- All money raised on the gala field, net of expenses, or a written declaration of the amount should be handed to the Gala treasurer on the day. This goes into a central fund, which is then allocated, usually in most cases with a percentage increase, to the charities taking part in the gala. So far, no charity has received back less than was handed in on gala day, [deductions would only be made to balance the books]. However, please see above that this is a free gala this year and the gala will be receiving no money from ticket sales to share out between charities.
- All documents required under Health & Safety legislation must be provided to the Executive with this form before being admitted to the park on the day of the gala.
- Food - Confirmation you have registered your premises with the Environmental Health Service at your Local Authority. (Regulation (EC) No. 852/2004 on the Hygiene of Foodstuffs, Article 6(2)).

- The B.C.G Committee reserve the right to withhold any part or full uplift of any funds that may be awarded to organisation if an organisation does not conform to these conditions.
